

# 2020-21 ONLINE OFFERINGS

Empowering **EL Educators**. Empowering **ELs**.

SupportEd

Even though the upcoming school year is filled with many unknowns, what we *do know* is that our ELs need our support now more than ever. We offer five formats and multiple topics for online professional development related to ELs. We are excited to collaborate around the following services, which will help you support your ELs in distance learning, hybrid, or face-to-face environments:

*\*Each online book study is framed around **best-selling books** authored by members of the SupportEd team.*

**“Our teachers have given us nothing but positive feedback.”**

“Registrations fill up quickly for each session. The content is **substantive** enough to benefit our experienced teachers, yet delivered in a manner that is **easily understood** by our new teachers. These sessions are an **essential part** of our District's comprehensive Title III PD plan and **well-worth the investment**.”

– Wanda I. Gonzalez-Crespo, ESL Program Director Reading School District, Reading, PA
